## Understanding And Identifying Opportunities To Study Law

### **Summary And Introduction**

My Advice To You Is ....

Some of you may know what kind of law school you wish to attend. Even if this is so, I suggest you spend some time on Book II. It will identify opportunities that you may or may not have known exist. Book II will teach you what different law programs are about. This will allow you to read effectively and critically promotional literature from various law schools - allowing for an intelligent comparative evaluation.

In Book II, I will play the role of the law program educator.
